**Additional Comments:** Once a week I was assigned to the Support Team and was dispatched to various emergencies around the hospital, excluding the Emergency Department. I responded to Cardiac Codes, unresponsive patients, injuries and medical events with visitors within the hospital. I worked closely with the ICU Intensivist during these emergent situations as we were a two person team. Once a week I was assigned to the Support Team and was dispatched to various emergencies around the hospital, excluding the Emergency

• **St. Marcus Memorial Hospital**  
**Jun 2015 — Sep 2015**  
Registered Nurse – Pediatric Intensive Care Unit  
Sacramento, California  
Travel Contract, Employed by Triage Staffing (Agency)

Unit Bed Count: 430  
EHR: EPIC

• **Cenica Regional Hospital**

Registered Nurse – Pediatric Intensive Care Unit  
Boca Raton, Florida  
Employed by Facility  
Charge Experience: Yes

Critical Access Hospital: Yes  
Unit Bed Count: 670

**Additional Comments:** Charge nurse on a busy Pediatric Critical Care unit. Adjoined to a Level One Trauma center, we cared for a large range of pediatric injuries and illnesses. I also worked as a preceptor for new hire nurses on this floor. I occasionally floated to the Pediatric ER to assist with codes, establish vascular access on hard to obtain patents, and assisting with picc line assessments and removals.

• **Appleton Area Health Services**  
**Feb 2014 — May 2014**  
Registered Nurse – Intensive Care Unit  
Appleton, Wisconsin  
Full Time, Employed by Triage Staffing (Agency)  
Charge Experience: Yes
